

Three Point Tours and Raphael's

Our *Three Point Tours* are a great way to discover Evesham's historic centre and riverside.

The tour begins with a sixty minute walking tour of historic Evesham, continues with a boat ride along the River Avon and ends with a meal at Raphael's.

The tours can be planned to suit your schedule. Full details may be found on our website www.hamptonferry.com

Raphael's Restaurant, open every day, throughout the year can also be booked for private parties. We serve Carvery every Sunday and seat 60 indoors and 100 outdoors in Summer. We are fully licensed and is often open from early morning until late at night. We can arrange a golden oldies disc jockey for you or you are welcome to arrange your own entertainment.

- *Bristol - 1 hour 10 minutes*
- *Manchester - 2 hours 30 minutes*
- *Cardiff - 1 hour 30 minutes*

Hampton Ferry

In 1929, Ernie and Eileen Huxley moved to Hampton Ferry to operate a small holding market garden and look after the ferry, which was then the only link between Hampton and Evesham.

As their business grew, more and more people visited to buy Ernie's bedding plants and asparagus and Eileen began to offer afternoon teas to the weary visitors.

The business developed further and expanded to include a camping site and fishery.

To accommodate early rising anglers, Eileen expanded her cuisine to include sausage and bacon sandwiches, which in turn created the Vale's most famous culinary attraction!

Not one to waste good food, Eileen used the crusts from the loaves of bread to make Bread Pudding.

Hampton Ferry is now home to a holiday caravan site with seventy privately-owned holiday caravans, three large caravan rally meadows, boat moorings, angling facilities and Raphael's Licensed Restaurant.

The Ferry hasn't changed much since 1929 and remains Evesham's Natural Beauty Spot.

Rallies can be booked up to two years in advance:

Fees £6.00 per unit per night (inclusive of VAT)

Water and Waste Disposal on site

Rallies with 25 units or more - Marshall Free

We do not have electric hook ups, as so many caravanners now use solar panels it is not considered necessary.

Hampton Ferry has three adjoining riverside rally meadows:

The Café Meadow can accommodate approximately 35 Caravan pitches

Boat Lane Meadow; 25 Caravans

The Big Meadow; 80 Caravans
