Three Point Tours (see our separate leaflet or website for further details)

Three of Worcestershire's finest organisations have teamed up to create a stunning and memorable day out in the heart of the Vale of Evesham.

A Heart of England Tourist Board registered Vale of Evesham Tour Guide will take you on a forty minute walking tour of historic Evesham. The tour will take us through the heart of the town, past The Almonry Museum, The Market Square, the statue of Eof, The Town Hall, Saint Lawrence's Church, All Saints Church, The Bell Tower and the beautiful Abbey Park. From Abbey Park we join the Handsam Boat Company's 'Handsam Too' a sixty seater pleasure cruiser. Sail along Shakespeare's Avon for a thirty minute ride back to Hampton Ferry for lunch, high tea or an evening meal at Raphael's Restaurant.
